FROM THE PRINCIPAL

Centenary
A once in a life time experience!

Please join in our Centenary celebrations over the Easter weekend. Our school has a long and rich history with great community support, much of which will be on display at our school over this Easter Break. Please see full Centenary program attached. Seize the final opportunity to book for Saturday evening dinner now, go to http://www.malenyschoolscentenary.com.au. A full list of memorabilia that is selling fast is also available for pre purchase on line.

Main Events Good Friday evening - Wine and Cheese in Hall
Easter Saturday - Kindy 30th birthday celebration, street procession, school rides, displays, stalls, official opening, swimming pool 50 anniversary, Formal Dinner night –at Maleny Show grounds.
Easter Sunday – Breakfast and Ecumenical service at Pioneer Village.
Park at the show grounds and a free shuttle bus will deliver you to the Kindy, street procession or school throughout the day on Saturday.

Working Bee
Thank you to all staff and families who attended our last working bee. While unfortunately our numbers were low much was achieved by few and a great sense of pride was felt by all who attended. I sincerely thank all of you, much appreciated.

Staff Retirement
Mick Jeays (PE) and Trish Griffiths (Learning Support) will be retiring after Easter.
Both have been wonderful long serving teachers at Maleny and have made enormous positive contributions to our school and students. We will say farewell formally to them both early next Term. Please don’t hesitate to congratulate both of these teachers on their retirement and join with me in thanking them for their tireless efforts over many years at our school. Both will be greatly missed, especially by our students and staff.

Free Dress day Thursday
Please help our student council to support Bundaberg schools damaged by cyclone and flooding events earlier this term by wearing free dress (Theme Bright Colours) on Thursday and donating a gold coin.

Message from Chappy Bev

Hello,

Only a few sleeps to go before our big 100th Anniversary Celebration. I think that it is going to be an amazing time for our school communities and I can’t wait for the fun to begin. The Chaplaincy Service is involved in a couple of activities. The local Chaplaincy Committee will be running the ‘Chicken on a Stick’ stall. I will be attempting to make balloon sculptures, with the proceeds being used to fund lunch time craft activities. Some of the years 5, 6, and 7 students have been practicing with me. The kids have done really well at marking their sculptures and some of them have shared their skills with me. However, despite my best efforts my sculptures look less than professional. Still, if you would like to come and purchase one or just have some fun making a balloon sculpture, drop in at my stall.

See you all on the big day.

Regards,
Chappy Bev
New P&C Executive
Congratulations to our new P&C executive President Rick Page, Vice Presidents Tia Law and Sandie Farrell, Secretaries Melissa Chaddock and Andrea Taylor and Treasurer Donna Joosten. I am excited to be working with you this year to enhance our school/community culture, improve student outcomes and educational experiences for all in 2013. It was wonderful to have over 20 people at our P&C Annual General Meeting recently. Our new executive consists of six members rather than the usual four which I believe is quite exciting. It is important now that the executive positions have been filled, that we support our executive by our attendance at monthly meetings. One meeting once a year is a commitment I urge parents to consider to build our culture as a true community-based school. Speaking to parents who are new to our school it is quite clear they have high expectations of what they wish our school to deliver as many shop around before making their final decision. To enjoy the full benefits that our school has the potential to provide, parents need to engage and ensure that there is balance between what families want from our school and what they are prepared to give to our school. Overwhelming research supports that student’s value school more when parents themselves are actively involved in schools. My dream is that all families can send one representative to one of our P&C meetings once a year. This minimizes the burden on all and ensures decisions made at P&C meetings are truly representative of our school community.

Thank you to our retiring P&C executive who have given so much to our school over many years. I speak on behalf of all of our entire school community in thanking you for your time and commitment to our school. Mary Sullivan, Debbie Gillingham and Michele Webber we are grateful for your commitment and look forward to your continued support for our newly elected executive.

Bullying, No Way!
If you attended this event last Friday morning you would have been inspired by the number of children who dressed in orange and joined with our whole staff in saying No Way to Bullying. As principal I will not tolerate bullying in any form be it from students, parents or staff, it is simply not part of the positive culture that I strive to create as a principal. Students watched role plays of older students that depicted the Three B’s (Bully, Bullied and Bystander) and observed that when bullying occurs the bystanders have the most influence on changing the behaviour of the bullies. We also taught students the ‘High Five’ (ignore, talk friendly, walk away, talk firmly, report) and the hand signal ‘stop’ to use if someone is acting inappropriately towards you.

Disco
Just to clear things up I was dressed as Obi Wan Kenobi, from Star Wars on Friday night, but the compliments for having a great bear, Chewbacca, monk, Yoda, and even Jesus costume (believe me the list goes) were well appreciated. I must complement our children on their excellent behaviour and social interaction on the night, I was very impressed. A huge thank you to Rick Page who volunteered his time, free glow sticks for all, equipment and expertise as DJ for free. I also greatly appreciate the support of staff and parents who assisted coordinate and help out on Friday evening. Our student council raised close to $900 at this event.

Happy, Safe Holidays
Thank you Maleny for your warm welcome to me this Term, you have won my heart as a community. I am energised and looking forward to a productive and enjoyable Term two. Have a great family holiday and if around keep an eye on our school.

Hope to see you at our Centenary Celebrations.
Happy Easter

John 😊

School News

Medical Information for All Students
Please ensure that your child’s medical information is correct and up to date. If there have been any changes in medications, please contact the office.

School Watch
Watch over our school during the holidays
With the holidays fast approaching, we encourage you to look out for after-hours crime in our school. If you see anything suspicious, please don’t attempt to intervene, call the School Watch number – 13 1788.

Year 4
The Year 4’s at both Maleny and The Ananda Marga River School have been busy creating slide shows and posters to advertise the Maleny Schools’ Centenary this weekend. Maleny Year 4’s have been using the parade as the perfect audience to practice their persuasive skills on. Each week the students have been dressing up in olden day clothing and speaking to a very large audience of students and parents about the centenary. We have some great public speakers in the making. It is wonderful that the students of Maleny can contribute their ideas to our centenary celebrations. This week the students have enjoyed visiting our museum display to discuss artefacts and enjoy experiences from long ago. The students enjoyed having a ride on an old go-cart with wooden wheels. The students from The Ananda Marga River School came to visit us and we enjoyed showing each other our slideshows and posters. We have worked together to complete a great display for the centenary.

Kind Regards, Lou, Trish and Anne
5B News
Term one has gone by super quickly, with all settling very quickly into a new groove. We have been exploring many concepts during the term and learning new ideas and skills. During Art the students have time give their minds a break and let their hands do the talking! The students have worked on varying pieces, looking at line, shade, colour, contrast and shape. Here are some examples of our fantastic art and a picture of us working hard during English. Enjoy your Easter break and I look forward to seeing you at the Centenary, for those attending.

Mrs Vlieg

6A News
In English so far we have been looking at Short stories such as: Gladys by Jackie French, Council Wombat also by Jackie French, Mission Impossible by Morris Gleitzman and Saving Ms Fosdyke by Morris Gleitzman. We are now writing a class story, as well as our own story for our Assessment Task that has to be 300-400 words long.
In Art we have been looking at famous Artists’ paintings and the style like: Cubism painting by Pablo Picasso, Impressionism by Vincent Van Gogh, Pointillism by George Seurat and trying to reproduce it in our own personal way. We also have to create a Maleny Icon, for example a Bunya Tree/Pine or The Maleny RSL. We will be using some recycled materials to create the piece of artwork.
On Fridays the Interschool Softball teams travelled to Glasshouse to compete against other schools. Most of our students who participated in the softball were playing for their first time and all had a wonderful day at softball. Congratulations to Max Bussenschutt who has made the Glasshouse District AFL team. As well as Morgan Ricks who also made it to the District Swimming team for the 2nd year in a row.
We have been smashing in our science, where we are learning about the three States of Matter: Solid, Liquid and Gas. We are learning how to change states and about Rust and the process of rusting. For example a car takes a million or more years to fully rust away.

Music Notes
This week the Year 6 and 7 students are writing their own limericks which they will perform with their group singing in a round and accompanying with ukuleles or boomwhackers. I thought this one is perfect for the Centenary next weekend!

There once was a primary school
With a fun playground and a pool
The children were great
So they went to celebrate
The anniversary of their school.
Kelsey, Louisa

I’m looking forward to our School Band and students from all year levels performing at the Centenary on Saturday between 12.00 and 1.00pm.
Regards
Liz Cripps

Centenary News

HISTORY IS REVEALED!

The Centenary is fast approaching and we look forward to seeing you all on Saturday for the celebrations. Last week the students of the school were all present for the removal of the time capsule. Everyone watched on while Mr Sherwell revealed the large cylinder buried in the garden near the library. The contents of the two time capsules will be on display during our celebrations in the STIC room.
