What’s On in Semester 2

- 26-30 Aug - Year 7 Camp Canberra
- 26 – 28 Aug - Year 6 Camp Maranatha
- 28 Aug – Book Club closes
- 28 Aug – 123 Magic Parent Workshop
- 29 Aug – Special Parade – KIDS Foundation
- 3 Sept - Regional Athletics
- 4 Sept – 123 Magic Parent Workshop
- 11 Sept – 123 Magic Parent Workshop
- 12 Sept – Maths Competition
- 13 Sept - Yr 4 Gary Crew’s Readers Cup
- 19 Sept - School Concert 6pm
- 20 Sept – Last Day Term 3

FROM THE PRINCIPAL

Father’s Day Success

What a wonderful afternoon last Friday turned out to be. I congratulate Misty Bland from our P&C for initiating and running this tremendous event. The measure of success for me was the number of Dads and Mums smiling and laughing with their children from the start to finish of the afternoon. Thank you to all that attended and especially to parents and staff that assisted with running this event and the SES members who volunteered their equipment and time. Ms Cowling and I were very happy when our bail was raised allowing us to go free. All funds will assist the P&C to continue to support our children.

Student Absence Line – Ph 54998366
If your child is away from school please call the absence line and leave a message. Just follow the prompts.
What Are You Doing This Wednesday morning?

Can you afford to miss our 1,2,3 Workshop!

Ring Now!

1-2-3 MAGIC

Effective Discipline for children 2-12

We would like to invite parents to attend an upcoming series of 3 workshops designed to help parents with behaviour management strategies. Megan James, a Behaviour Support Consultant with Education Queensland, will be sharing the 1-2-3 MAGIC Programme with parents. The workshops will include information on

- Controlling difficult behaviour eg. arguing, fighting, tantrums
- Encouraging good behaviour eg. going to bed, doing homework, eating
- Strengthening your relationship with your child through the use of praise, active listening and shared fun.

The workshops will be held at our school in the library commencing this Wednesday 28 August in the library and also on the 4 and 11 September. Each session will run from 9:00am-12pm.

Participants will be required to purchase a workbook linked to the programme at a cost of $10.

Please note that the sessions are for parents only and parents will need to make suitable arrangements for the care of any non-school age children.

Should you wish to attend please contact Desley on 54998333 and make your payment to the school office. This program is brilliant and has my full recommendation.

Kids Charity donates bikes to Maleny School

Dalton’s 300Km Ride Visits our School Thursday

Dalton’s Ride is a 300km ride commencing at Gatton that raises funds and awareness for the KIDS Foundation. The KIDS Foundation education team and riders will be visiting our school on Thursday. They will actively show some of our older students a safe, healthy and happy approach to cycling as well as present prizes for a helmet design competition. Students in years five and six will be required to bring a helmet to school on Thursday to participate in activities. A special parade will be held in the hall at 1:30pm for all students and parents are encouraged to attend. Riders and crew will arrive at Maleny State School and host a school assembly and bike presentation [Susie O’Neill, KIDS Foundation founder and CEO, will donate 10 GIANT bikes to the school and speak about KIDS Foundation. See flyer attached for information about who is Dalton.

Prep

Prep enrolments have commenced and I urge any parents who have not yet contacted the office to do so quickly to make an appointment. For parents that missed out on our parent information session we will host three more Get Ready for Prep sessions as per dates below.

- Wednesday 16 Oct - 9.00am–10.30am
- Wednesday 23 Oct - 9.00am–10.30am
- Wednesday 30 Oct - 9.00am–10.30am

Where is Mr Byrne?

This week I have the honour of being on camp with our year seven students and staff in Sydney and Canberra. What a tough job! I look forward to retelling some exciting skiing stories in our next newsletter. A big thank you to Ms Cowling; who will take on many of my duties next week as well as those of her own.

Maleny Maths Competition

To engage all of our students in Maths we will host our very own maths competition on Thursday, 12 September in our hall. Throughout the day all students from Prep to year seven will have the opportunity to participate in fun team based maths activities. We welcome parent participation and will require parents to monitor tasks to ensure the event runs smoothly.

Gary Crew Hinterland Readers’ Cup

Friday 13 Sept Maleny State School Hall

Come and cheer on our year four’s, who will compete against students from Conondale, Montville and Mapleton in this year’s annual Gary Crew Hinterland Readers’ Cup from 9:30am until 11:30am on Friday 13 September. Gary has been a sponsor of the Crew Cup for the past 13 years, since its inception. For him, the cup is not about who wins. It is about awakening a love of reading in children and inspiring them to keep reading long after the competition is over.

Gary is currently Associate Professor in Creative Writing at the University of the Sunshine Coast, where he teaches creative writing. His research areas are creative writing, all matters concerned with youth fiction, and postcolonial studies in fiction and non-fiction. He has written more than 70 illustrated books, short story anthologies, novellas and novels over the 25 years that he has been in print, and is one of Australia’s most awarded authors.

He has won the Children’s Book Council of Australia’s Book of the Year award 4 times (for Strange Objects, Angel’s Gate, First Light, and The Watertower), and the CBCA Honour Book award for Memorial. He has also won the Ned Kelly Prize for Crime Fiction, the NSW Premier’s Award and the Victorian Premier’s award, twice won Europe’s WHITE Raven award for illustrated books, the Wilderness Award for Children’s writing, the Rowan Geographic Society Whitley award, and the Aurealis award for Speculative Fiction. He was...
shortlisted for the Crime Writers of America Edgar Allan Poe Mystery Fiction award for Youth, and the Queensland and Western Australian Premier’s awards for fiction.

Have a Great Week.

John 😊

Minor Games with Maleny State High School Students
On Friday 6, 13 and 20 September two of our classes will be working with students from the High School. 1A with Mr Grieg and 1/2C with Mrs Lees will enjoy a range of sporting activities and games hosted by students studying Recreation at Maleny High School. Each session will run from 9am until 9:50am, the students will need their hats and school uniforms for these days.

Thanks Year 10 Maleny State High School Work Experience Students

We have recently had four students in year 10 from Maleny State High School complete Work Experience at our school. We were so pleased to host these students who are considering becoming teachers when they leave school. Thank you for your dedication while you completed your Work Experience.

Charmaine Cowling
Deputy Principal

Prep A News
Prep A have been doing a great job following all the 4 be’s both in the classroom and whilst playing in the playground. We now have 55 gems in our jar and are looking forward to filling it up over the next few weeks, so we can plan an exciting celebration for the end of term. The competition is on with Prep/1B!!!

In Maths last week, we enjoyed creating imaginary creatures out of play dough whilst we were learning about partitioning and combining different numbers to make a whole. Using play dough, buttons, paddle pop sticks and straws the children each designed 3 imaginary creatures following templates with different combinations to 10. Here is an example of task no 1.

After practising with pre - made templates, it got a little trickier as we each used our knowledge of how to make 10 and create our own imaginary creature.

Prep A also enjoyed reading and listening to many texts whilst identifying the rhyming words. Each child had a go at writing and presenting a rhyme. Everyone did a fantastic job both presenting their rhymes and being a great audience to others remembering their 4 be listening skills. Have a look at some of the rhymes we created.

The tall boy had a fast toy, He put the toy in a box but in the box was a fox. by Aliea C

The mouse lived in a house To hide from the cat on the mat. by Amber C

I saw a goat sitting in a boat It liked to dance in France. by Rescue

To complete our health assessment we each drew a healthy food plate including foods from all the different food groups. It was fun making the foods out of plasticine and justifying why it was a healthy food plate. We will make some of these healthy snacks at Prep and enjoy them for snack attack. Here is an example by Maya Reynolds:

Prep 1B News
Our English unit is all about poems. We have enjoyed listening to and responding to a range of poems. We have noticed that poems often have rhyming words and words that start with the same letter. We used rhyming words to make up our own versions of the rhyme, “Down by the Bay”.

Did you ever see a fly, towing a pie? (Darcy) Did you ever see a bee, in a cup of tea? (Ella) Did you ever see a whale, without a tail? (Theo)

We have discovered that some poems are serious and others are funny. We really like the poems on this website. They make us laugh. http://www.poetry4kids.com/ We enjoyed the Ken Nesbitt poem, Mr Brown the Circus Clown. It tells of a clown who wears his clothes upside down and in all different places while he walks around on his hands. The children created their own images of Mr Brown. Here’s some of their fabulous artwork...
Next week, the children will start creating their own poems by changing the rhyming words in a familiar poem. They will then present these to the class.

1A News
In 1A we have been working on telling time. We are focussing in year 1 on telling ‘o’clock’ and ‘half-past’ times. This can be a tricky item to learn taking a lot of practice to bed down properly. Education Queensland has a great learning object that can help students learn how to tell time on both analogue and digital clocks. Jump into the Maleny Jumpstart edStudio (available to Prep A, Prep/1B, 1A and 1/2C) to access the ‘Clocks: Analogue and digital’ learning object. If you have misplaced your Learning Place access let me know.

In English we have been working very hard on sentence writing. We have been practicing sentence structure and what makes a complete sentence when we are writing story retells. We have been looking at all of the parts that can make up a sentence like: **Who** are we writing about? **What Action** are they doing? **What are they doing it to?** What **Context of when or where?** What **Qualities** or describing words? What **Punctuation**?

For example-

- **During the dark night** the **l**an**g**aro**o** jumped over the river.

  - Who: **l**an**g**aro**o**
  - Quality: **j**umped
  - Action: over
  - Punctuation: .

Prep A/Prep/1B and Year 1 A visit to Maleny Community Gardens
Last week we visited the Maleny Community Gardens. The weather was perfect and we were met in the gardens by Kate and Madhu. The children participated enthusiastically in many activities including examining different seeds and pods, planting corn seedlings, exploring who else lives in the garden from worms that live in the soil to butterflies, birds and bees, creating butterflies out of paper and decorating with oil pastels, building a scarecrow and dressing it in the Maleny State School uniform, mosaic work creating our own patterns with mosaic and cementing into a step to remember the Maleny visit, working with pressed flowers and making our own recycled watering can and many more. At the end of a wonderful day we all joined in a song and dance led by the wonderful Kate and Mr Moghi. Each child was given a little packet of sunflower seeds to take home and plant. We hope the children are enjoying caring for their seeds at home and look forward to hearing about all the sunflowers popping up around Maleny. If you would like to hear the song and see Mr Mogi dance, have a look at the website - Familyfeastival.com.au . (In Mr Moghi’s course you can hear the song we learnt!) A big “thank you” to Kate, Madhu and the many, many helpers we had on the day. We hope you enjoyed the day as much as we all did.

Year 2 News
In grade two at the moment we are looking closely at informative texts. It has been interesting to see how writers use information to even when writing narratives. We have been looking closely at two texts, Stellaluna and Fox and Fine Feathers.

In maths we have been learning about time and how to read a clock face. We are now exciting to be learning multiplication and how it can link closely to addition sums we already know.

For science we have been receiving mystery bottle messages which give us new challenges to work on each week. If you know of who has been sending these, we are very keen to find out. It has been fun to learn about life stages of animals and plants and we have had lots of interesting show and tell creatures to learn about as well.

In history we have been learning lots about our local area and how it has changed over the last 100 years.
Last week we wrote some questions and have researched to find out the answers using sources such as books, grandparents and the internet. In the next few weeks we will be presenting a historical narrative to our peers about a significant place in the local area.

Year 3A/3B
We are full steam ahead with many tasks. In English, we have been exploring the text ‘Kumiko and the Dragon’, a wonderful book on how to overcome problems/ fears and look at the solutions. Students will be creating a multimodal presentation for their assessment task.

We have been busy with our Mathematical Scavenger Hunt assessment. Students have been exploring Measurement, including Length, Capacity and Mass. In Science our ‘Hot Stuff’ unit has allowed students to work through a range of activities showing how heat can be transferred between objects in a number of ways.

We are looking forward to a special visit by Susie O’Neil on Thursday, promoting Bike Safety. We are also practicing for the School Concert which is being held Thursday 19th September in the Hall.

Students have also found some lovely relaxation methods to use through the Health/Art Unit, writing meditations, creating retreats and illustrating posters to promote their 3D retreat creations.

Sarsha Anthony/Anne Coogan/Anna Keir

National School Tree Planting Week
Year 3A and Student Council helping Mr Sherwell plant the 50 donated trees from Coolum Native Nursery during our National School Tree Planting Week. Thank you to all helpers.

This week’s focus was on Continuous Good Behaviour. The winners are Rhys, Mariah, Carlin & Lily. The fabulous watches are kindly donated by Maleny Jewellers.

ICAS Spelling Results
Congratulations to our students:
High Distinction - Luca
Distinction - Jasmine, Jasper, Merlynne
Credit - Bailey, Charlotte, Matthew, Torren, Beau, Louisa
Participation - Jasmine, Hannah, Matilda, Parker, Shane, Kyle, Kaylene, Ziggy, Alice, Kelsey, Elise

P & C News
I am overwhelmed by the response and enjoyment had by everyone who attended the Obstacle Course on Friday. It was fantastic to see the Fathers and Father figures bonding with their children and tackling the unusual tasks presented to them. I think next year will have to be more challenging.... We raised almost $1200.

I would like to thank the following people for their continued support with every fundraising event hosted and especially John for assisting in the final stages of setting up the event. Donna and Scott for the excellent DJ tunes that were played; the children loved the bubble machine and it was a definite win. Caroline H for her MC skills, you missed your true calling and you were fabulous. Gunnar and Kate for organising and preparing the delicious food that was served, they donated their time to support us - thank you. Kerry for helping me set up, I appreciate your help. To all the volunteers on the day thank you for your help, Linda, Anne D, Michelle, Mary, Andy, Melissa, Anne (tuckshop) and Linda L for her sense of humour when needed! Thank you to Charmaine for her help with the paperwork. Thank you also to owe who helped plan the event, Chappy Bev, Sandie, Andrea, Trish (who also organised equipment) and Kellie for the spectacular t-shirts and wrist bands. Thank you to all the SES members for their time and the special girls in Yr 5 for all their help behind the scenes. Anne your
photographs are truly memorable, thank you for giving up your time to capture our event.

A huge thank you to Andrew Powell and his family for attending the event in between his busy schedule.

Hooray to all the participants. See you at next years MALENY OBSTACLE MANIA....

Misty Bland

Music Notes

Maleny School Concert : 6pm 19th September 2013

The evening of our School Concert is fast approaching! Students from all year levels are busily preparing items for your enjoyment. As well as class songs from Prep to Year 4 there will be the Recorder Ensemble, school choir, a humarimba group and a wonderful range of small group and solo performers. Please circle the date in your calendar and support your children who would love you to listen and watch their presentations!

Maleny School Song

A few weeks ago fourteen Year 4, 5 and 6 students spent a Sunday morning with me recording the vocals of the ‘Maleny School Song’. We’ve now received the music arrangement which will be played regularly on Parades. Thank you to the following musicians for donating your time and expertise; Carl Schultz on guitar, Ed Bettega on banjo and David P Shortland from DragonScore Productions for creating the music arrangement to accompany our singers.

Singing Success!

Congratulations to two of our musically talented students Dylan and Shelby J who are in the middle of a very busy term singing at numerous competitions. Last week they competed at the Sunshine Coast Eisteddfod where Shelby placed first in Musical Theatre & second in 9yrs & Under Set Piece, and Dylan gained first place in the Sacred & Gospel and second in the 11 years Set Piece.

In the next few weeks the children will be competing at the Gold coast Eisteddfod.

Dylan and Shelby have also been involved in the Sunshine Coast’s 7-17 years Open Mic Competition in Caloundra and Maroochydore and have been invited to perform at a Showcase in the week leading up to the Caloundra Music Festival.

Fortunately for us both Dylan and Shelby have agreed to entertain us at the upcoming School Concert.

Liz Cripps  Music Teacher

From the Office

Please be advised of the new times for making payments in the office:

<table>

BPAY Payments

Due to complications with BPAY, this method of payment will no longer be available. Please deposit all payments directly into our bank account noting the invoice number, initial and surname of the student for whom you are paying.

Our Bank account details are:

BSB: 064-462
Account Number: 10080359

Cash, cheque and credit card payments can be made outside of these times by inserting the cheque/correct change in a payment envelope or writing the credit card details on the front of the envelope and depositing it into the drop-safe in the office. Please ensure that the envelope is sealed so the cash does not fall out. Please write the student’s name, class, amount enclosed and what the payment is for, clearly on the envelope.

Office hours are 8:00am to 4:00pm.

Centenary Memorabilia

As we continue to celebrate 100 years of education in Maleny, we would like to remind you that it is still possible to purchase some of the items of memorabilia that we still have available to commemorate this special occasion. Still available we have

- Commemorative Books @ $15.00
- Commemorative stubby coolers $8.00
- Commemorative Pens @ $5.00

These items are a fantastic keepsake of your child’s time at Maleny State School and also great gift ideas for friends and family. Items are available at the School Administration. Payment is to be made by Cash or Cheque.

We still require more helpers for the tuckshop – especially on Sushi Tuesdays. Please see Gunnar or Kate if you are able to help, even if it is for just an hour or two in the mornings. Your time will be greatly appreciated.

Flexischools allows parents and students to place orders online at a time and place convenient to them. Parents simply register themselves on the flexischools website and enter their children’s names and classes. The registration process only takes a few minutes and parents can begin placing orders immediately. Register at: http://www.flexischools.com.au/

Uniform Shop News
To make ordering uniforms even easier for time-poor parents and carers, uniforms are also now available via flexischools. Visit the above mentioned website to register.

Uniform Shop is open Friday mornings From 8:30 to 9:30.

Community News
Lions Welcome Dinner 2013 Maleny & Blackall Range
Are you new to the Range? If so, the Welcome Dinner coming up in September is for you.

This is your chance to meet other Newcomers to Maleny and Blackall Range area as well as some of the locals. Even the Sunshine Coast Mayor will be there!

You will enjoy a fabulous meal, and be part of a light hearted, relaxing evening. The Mayor is the guest speaker. There will be lucky door and spot prizes, an entertaining auction and raffles.

This is the 8th Welcome Dinner. Over the years, well over 1000 people have attended. Thanks to our sponsors, everyone leaves with a free gift.

When? Wednesday 18th September 6pm for 6:45 start.
Where? Maleny Showgrounds Pavilion 13 Maleny Stanley River Road.
Cost: $35 per head Dress: Smart casual

Swimming in Maleny
Swimming season is around the corner for Maleny with the pool opening on 2nd September 2013. The Maleny Swimming Club has been working furiously getting the pools, change rooms, grounds and kiosk ready for all the Maleny swimmers.

Maleny also has a new coach this season, Steve Smith. Steve has 30 years’ experience in coaching and pool management. He has recently left the manager position in Maryborough to be closer to his family. Steve’s focus will not only be on extending Maleny swimmers to greater achievements in the pool, but also to develop relationships and the potential of casual community swimmers. Steve has an open door policy and encourages communication between swimmers, parents and the coach. If you would like to contact Steve you can on 0403 403 506 or stevesmithcoach@gmail.com

Swimming Queensland has launched a pilot programme under which all children aged 7 years and under will not be charged a membership fee for joining a swimming club. The initiative has come about to not allow children 7 and under to participate in club nights and club carnivals either as a competitive or a recreational swimmer.

Club nights are held every Wednesday from 6pm. “Races” are held for every age group in a relaxed way with the emphasis on enjoyment. Every swimmer is timed so that every week you can try and better your time. Once a month there is a barbecue after the swimming and at the end of the season there is a club outing. Last season we went to Wet ‘n Wild for the day!

So why not sign up on 31st August outside the IGA from 9am to 12pm and find out what all the fun is about? It will cost you nothing except your time. You will make new friends, learn to be a mentor, or be mentored, tap into your competitive spirit competing against yourself every week and generally just have fun in the water.

Dalton’s ride is a 300KM cycle challenge to raise funds and awareness for the KIDS Foundation. Across 3 days cyclists will commence in Gatton QLD and enjoy a picturesque ride through the farm town of Kilcoy, experience the amazing view from the Glasshouse mountains and close the ride at the ever popular Hasting Street in Noosa QLD.

Within each of these beautiful locations the 300km group of cyclists will participate in our KIDS GIANT Bike bus program.

The cyclists will commence their morning at a Primary School to actively show the children a safe, healthy and happy approach to cycling. Following a sponsored school breakfast, the cyclists will commence their day’s journey whilst the KIDS Foundation Injury Prevention and Education team in conjunction with GIANT, will donate bikes to the school and engage the students in a Safety & Injury Prevention program.

WHAT IS THE KIDS FOUNDATION?

The KIDS Foundation is a dynamic, not-for-profit, health promotion charity that supports children and their families who have endured trauma, horrific burns and other life-changing injuries. Every day, more than 5,000 Australian children are injured in accidents and of those injured, more than 100 require hospital attention. Preventable accidents remain the single largest cause of childhood death and it was in an effort to redress these statistics that the KIDS Foundation was created in 1993.
INTRODUCING BURN SURVIVOR DALTON

Dalton was a very special young person with 80% burns that overcame challenges, most could not envisage. Dalton’s courage, infectious smile and “can do” attitude not only inspired many but gave others the will to live.

On the 6th February 2010 Dalton lost his life in a tragic accident in Gatton, near Toowoomba. The family was returning home from a camping weekend when the family car was hit unexpectedly by a surge of water from a heavy downpour upstream carrying the car into the river. Sadly Dalton drowned.

If all who have experienced Dalton’s spirit as we have do the best they can with it then he will continue to make the world a better place and we at the KIDS Foundation cannot think of a better way to honour his memory than DALTON’S RIDE.

WHERE WE GO

AUGUST 28
GATTON TO KILCOY

AUGUST 29
