From The Principal

Farewell Chappy Bev

Last week at a special Tuesday morning parade we said farewell to Chappy Bev. Chappy has been a wonderful support to our students, staff and community for the last 6 years. We will miss Chappy Bev and would like to thank her for her tremendous support that she has shown to our community in so many different forms. The children are already missing lunch time craft, table tennis, drama games, friendship chats and so much more. Thank you Bev for your passion in supporting the welfare of our children and the organisation of many school run activities.

Maleny State School's 2014 Musical Spooktacular - The Haunted House

This is a fantastic opportunity for children to showcase their creative skills, build confidence and gain a positive sense of belonging (through such a wonderful group activity that relies on everyone involved). So rush in and don’t miss out on your tickets that are selling now at our office. Tickets are on sale at the School Office now and will sell out, there are over 100 children in this performance and most will have extended families keen to see them on the big stage.

Adults - $10.00, Students - $5.00, Children under 5Yrs Free.
Performance Dates – Wednesday, 30 July & Thursday, 31 July 2014 from 6.30pm. The P&C will provide food before the show.

Well done to all students, staff and volunteers that participated in Sundays full cast rehearsal. It was incredibly professional and well on track. Participation in a musical requires great commitment and effort from a lot of people. I cannot thank Mrs Cripps, David and all staff and parents enough for their time, passion and commitment to our students.
Maleny School Chicken Coup

Now while all the ladies in Maleny are beautiful these two have won my heart. Mr Geoff Robertson a champion breeder of poultry visited our school and donated two pullets from champion bloodlines to our school. Geoff gave an excellent informative talk to our environmental branch of the Student Council and some invited Yr 5 students recently. The girls are Rhode Island White pullets (the same bloodline the school originally started with) and are very placid in nature although quite a big breed. They have settled in well and have already started laying eggs that we will put to good use in the tuckshop. Our students have decided to run a competition to give our ladies a name; entries can be placed in the entry box in the library. A big thank you to Geoff for imparting his knowledge, giving up his time and his generous donation of what we hope to be champions in next year’s Maleny Show. As a point of historical interest I became interested in obtaining some fowls for our school when I discovered an overgrown chicken coup at the back of the school not long after my arrival here. As I assisted with the Centenary celebrations in 2013 I became acquainted with a long time local and once teacher at our school Mr Vince Carbery. Little did I know Vince had built the chicken coup many decades ago. So with a few minor repairs from Kerry our schools officer history is repeating itself. (I’m sure Vince didn’t have to complete as many applications to raise livestock as we have back in his day,) I would like to thank Vince for his chicken mentoring and putting me in touch with Geoff. Students are very excited and keen to be involved.

Senior Athletics Day

Come along and cheer your children on at the Senior Athletics Carnival this Wednesday. The kids always run faster with mum or dad cheering. A program for the day is attached to assist you plan your time. Please note it is just an approximate guide and events may run up to 30 minutes early or late. The weather looks perfect, see you on the oval.

Winter Uniform

Possibly our coldest weather I believe is yet to come. Please use the holidays to purchase a warm plain navy jumper (without logos, stripes etc) or track suit if your child doesn’t have the correct winter uniform. School jumpers are also available from the uniform shop.

High School Transition

Congratulations to our local Maleny State High School who conducted an informative transition evening last week for parents from years 5,6 and 7. I attended and was very impressed with not only the culture and subject offerings Maleny High has to offer but also the quality of speaking skills students displayed along with their obvious passion for their school.

P&C

Our next P&C meeting will be held on the first Wednesday back at school. If you haven’t made it to a meeting this year here’s your chance. Come along to the Library at 6:30pm on Wednesday 16 July.

Report Cards

Student Reports will be given to students this Thursday to bring home. Remember a ‘C’ rating means your child is achieving the outcomes expected at their year level. The biggest percentage of students will achieve this result. Please read the standards on the front of your child’s report card for a better understanding of what a specific grade means. Please don’t hesitate to clarify any questions you may have with your child’s teacher. Parent teacher interviews (years P-7) will be held in week two of next Term. Please note, as Mrs Bauer is on leave interviews for students in P/1B will be scheduled for a later date.

Loom Band Sale - Last Chance

By popular demand our Loom band sale is on again this Thursday. As there was quite a bit of stock still left over we will hold a stall this Thursday 26 June at school break times. Please support this P&C initiative. All loom bands $2 each or 3 for $5, Loom only $3, Classic Kit $6, Charmed Kit $8, Charms $2 or 3 for $5, bag of clips $2. Amazing value, don’t miss out.
SWPBS (School Wide Positive Behaviour Support)

The School Wide Positive Behaviour Rule for this fortnight is ‘Be Responsible with the focus buzz phrase of “I Choose to Defuse”.

This means that to be responsible students will take responsibility for their own actions. Regardless of what bad things we experience or others may do to us we are still responsible for how we react. It is not acceptable to justify inappropriate behaviour as a result of someone else’s behaviour towards us. Building children’s resilience will assist in this area.

Classroom News

Year 1 News

Coming up to the last two weeks of school the kids have been working hard.

The Yr 1 children had a visit from the local Fire Brigade. The officers took the children through a range of valuable information about fire safety, including the difference between good and bad fires. ‘Uncle Keith Hopper’ one of the officers asked for his nephew Rescue to assist him in showing the children on how to do the ‘Drop and Roll’ skill if you ever happen to catch on fire. Rescue covered his face and rolled to put out the ‘fire’ that was on his clothes. Yr 1 teachers Kerry Lees and Adrian Greig both got dressed up to showcase the special outfits and gear that they wear to keep them safe during a real fire. The kids then practiced the ‘Get down low and Go, Go Go!’ move as they moved out of the classroom to head towards the oval.

The highlight of the morning talk was getting a close up view of the fire truck down on the oval. After a close look at the ‘Jaws of Life’ the kids got to test out the powerful hoses. Mr Greig ended up a little wet when one of the officers (or was it one of the kids) sprayed a little too close to where he was standing giving him a good soak.

The Fire Officers asked for all families to go over the following things with your children to ensure they know what to do if there is ever a fire at home:

1. Know how to ring 000 and give their address correctly so they fire brigade can help as fast as possible.

2. That the family has organised home escape plan by organising a safe meeting place outside of the house if there was ever a fire. Make sure that everyone knows where it is and has their own practice drills like they do at school.

3. That everyone in the family can do a proper ‘Stop, drop and roll’ move to put out any fire on their clothes.

4. That everyone knows how to ‘Get down low and Go! Go! Go!’
1/2C News
We are already half way through the year. Assessments are nearly all finalised for the term, our Science assessment will be the last to finalise next week and diagnostics are currently still being collected and collated. Part of next week will also be utilised for important revision opportunities in Maths and English to consolidate concepts that students are still developing. Academic results are pleasing to see for the class and are well deserved. Students should be proud of their achievements to date as report cards are being finalised to be distributed before students break for the June/July holiday period. Planning is underway for next term and is looking jam packed and exciting!
Parent/Teacher Interviews will be held early next term, more information regarding this process will being coming soon.

2A News
We have been working hard in class on learning how to write a persuasive text in English. We have also been revising our knowledge of nouns, verbs and adjectives.
In Maths we have been learning about money and how to count up amounts. Try giving your child some money and see if they can tell you how much it adds to.
We have also been revising other maths concepts learnt this term. Most children are feeling more confident with maths 😊
Keep Reading and have a wonderful holiday!
Libby Ferguson

3A and 3B News.
In English we are rehearsing our dialogue between two characters from the book Charlotte’s Web in preparation for our Speaking presentation. We will then finish reading the book and analysing the characters. We have continued to have our small intensive reading groups on Tuesdays and Thursday where each group focuses on Reading strategies. This has been very beneficial. We are completing our Mathematics for the semester learning about addition and subtraction number facts and mental and written strategies, plus equivalent combinations of money and calculating change with money.
We are very pleased with the commitment made by the children who are in the musical, The Haunted House. This includes in-school and after hours rehearsals.
All the children who are born in 2005 will be participating in the Senior Athletics Carnival on Wednesday 25th June for the day, good luck to each House team!
The children have enjoyed the Science unit on the earth, the sun and particularly the moon phases. It’s great to hear them using the technical language like, waxing gibbous moon etc!
We hope your child has a safe and restful holiday, and we look forward to teaching the children for the last half of their Year 3 year.
Sincerely,
Anne Coogan  Brooke Andrews.

Chappy News

Hello dear parents, teachers and students,

By now, many of you would have heard that I am completing my time as Chaplain of Maleny State School on Thursday 19th June.

I first came to know this community as a parent, some thirteen years ago when my daughter Rheaan started preschool in 2001. At the end of 2008, just before Rheaan went to high school, I started here as the chaplain. I thought I would only stay for a year or two, but I soon realised that I love being a chaplain at this school and so I stayed and stayed.

Here we are five years and eight months later I am finally saying goodbye. There is simply not enough space here in the Chappy News to thank all of the people who have encouraged me and given their time or resources to the service. So, I would just like to say a thank you to the whole school community for making my time as Chappy so wonderful. Working with the children has truly been one of the greatest joys of my life. I have so many wonderful memories to take with me.

Although you won’t see me around the school anymore you can still catch up with me around Maleny town.

Love, Chappy Bev
The Haunted House

After many weeks of practising dances, songs, acting parts and learning lines we are beginning to tie The Haunted House musical together.

During the last two Wednesday’s David Shortland has been working in the Hall with myself and the students teaching aspects of microphone technique and sound balance. Our sets are beginning to take shape and will soon be on stage for rehearsals.

Voluntary Financial Contribution

Each year Maleny State School asks families for a contribution to assist the school with supplying essential resources for your child/ren’s education and maintenance of school facilities.

The contribution for 2014 is $50 per child or $40 per child for families with three or more children enrolled at our school.

This year the contribution is being used to upgrade and maintain our school resources and facilities.

If you haven’t contributed and wish to for 2014 it’s not too late. Payment can be made by cash, cheque or credit/debit card at the office and a receipt will be issued.
During Term Two, Yr 6 and Yr 7 students were given the opportunity to be involved in the online Education Perfect World Language Championships. Students tried to score as many points as possible within a 2 week period by completing short response questions on a variety of topics. While doing this, students were able to compete against schools from all across the world. We spent most of our time working on the Japanese section but did try other languages such as French, Italian and Spanish.

The following students achieved these ratings by reaching set targets.

GOLD (3000 points)
Merlynne and Divya

SILVER (2000 points)
Agatha

BRONZE (1000 points)
Taylah, Eloise, Hannah, Hannah, Eithne, Cooper and Dylan.

CREDIT (500 points)
Lachlan, Ethan, Ayden, Abi, Ziggy, Jessica, Michael and Brooke.

I would like to congratulate these students on their efforts and thank-you to the parents for allowing a little more screen time.

Organisation for the Country Fair is well under way and we will be sending out our newsletter very soon with a sneak preview of what we’ve got planned. At the start of next term we will be pre-selling arm bands for the rides and you will also be able to pre-order a fantastic selection of show bags from army backpacks to Little Princess library carry bag full of stationary, and of course some lolly showbags and a little bit of magic.

Every class will be running a stall at the Country Fair and you’ll find out more about it from your child’s Teacher and the Parent Representative next term. If you’re thinking about having a clear out of the toys over the holidays, could you please save any toys which are in good condition for the Pre-Loved Toys stall which Prep A will be running.

Thank You
