## Date Claimers
- 13-17 Feb – Parent/Teacher Interviews Yr 1 – Yr 6
- 16 Feb – GRIP Leadership Conference
- 17 Feb – Glasshouse District Swimming Carnival
- 28 Feb - Glasshouse District Aussie Rules Trials
- 3 March – Due Date ICAS Forms
- 4 March – Mikin’ it for Charity
- 6 March - Glasshouse District Rugby Trials
- 8 March – P&C Meeting
- 16 March – P&C AGM
- 10, 17 & 24 March – 1-2-3 MAGIC Parenting Course @ 9:00am
- 31 Mar – Canberra Instalment due
- 23 May – ICAS Digital Tech
- 30 May – ICAS Science
- 2 June – Canberra Instalment due
- 12-16 June – ICAS Writing
- 14 June – ICAS Spelling
- 1 Aug – ICAS English
- 11 Aug – Canberra Instalment due
- 15 Aug – ICAS Maths
- 21 – 25 Aug – Yr 6 Canberra

## Diary Dates

### Week 4 (13 Feb - 17 Feb)
- Monday: Swimming for 6A, 6B, 6C, 5B, Prep B, Prep A, 2C & 2B
  
  Parent/Teacher Interviews
- Tuesday: Tuckshop Open
  
  2:20 Parade
  
  Swimming for 5A, 2A, 1A, 1B & 4A
  
  Parent/Teacher Interviews
- Wednesday: Brekky Club
  
  Swimming for 3A, 3B & 4B
  
  Parent/Teacher Interviews
  
  Girls District Softball Trials
- Thursday: Tuckshop Open
  
  GRIP Leadership
  
  Parent/Teacher Interviews
- Friday: Tuckshop Open

### Week 5 (20 Feb - 24 Feb)
- Monday: Swimming for 6A, 6B, 6C, 5B, Prep B, Prep A, 2C & 2B
- Tuesday: Tuckshop Open
  
  2:20 Parade
  
  Swimming for 5A, 2A, 1A, 1B & 4A
- Wednesday: Swimming for 3A, 3B & 4B
- Thursday: Tuckshop Open
- Friday: Tuckshop Open

## FROM THE PRINCIPAL

**Maleny State School Focus 2017:**
Our primary focus this year is on **WRITING**.

**Prep Playground Proposal**
Please take the opportunity to view the proposed concept drawings on display at Prep and in the office of the upgrade to existing Prep facilities. Your feedback on this proposal is urgently sought. The upgrade will allow children a larger concrete covered area to eat their lunch, play and complete activities outside.

Also incorporated into this area will be a dry creek bed student’s can play in which will be fed by a water tank. A stage area will be available for students to perform on as well as a sensory garden complete with a yarning circle. A new kitchen and cover will be put in the existing sandpits with water access. New rubberised soft fall under existing play equipment and a swing set will also hopefully be part of this proposal.

There will also be permanent art easels for students paint on and concreted area for water play to enable it to be a permanent fixture.

Unfortunately this will come at the cost of losing our two big trees in this area. We have looked at alternatives around the trees but ultimately it is not viable to keep them.

**STUDENT ABSENCE LINE**
Please remember to call the school on Ph: 5499 8366 or email at admin@malenyss.eq.edu.au early in the morning if your child is going to be away or late for school so your child’s absence can be recorded correctly.
Absentee Line SMS
If your child is absent from school for any reason please call the absentee line before 9:00am. Once all rolls are marked and absentee line calls are processed an SMS message will be sent to parents advising that your child is absent (unexplained) and asking you to reply immediately to explain the absence. This is a safety measure and a mandatory practice of all schools. Thank you for your cooperation here as this is can be a huge job if parents don’t use the absentee line and ties up staff unnecessarily.

New SMS system
In addition to sending absentee messages we also have the ability to send parents a message by SMS. This different communication method will benefit parents who often miss messages in the newsletter, or letters sent home or prefer to receive digital messages. SMS’s will allow us to communicate to all parents simultaneously in the event of an emergency, reminder of events, cancellations, or messages from individual teachers on a class basis.

Attendance: Research clearly identifies the relationship that in general the higher the attendance rate of students the higher will be their academic achievement. Last year our overall school attendance was 93.3 % which was an improvement on 2016 (91.9%) our goal is 95% this year.

AGM P&C Meeting – We need You!
Wednesday 16 March 6:30pm
Currently most decisions, ideas and hard work is done by often less than a dozen parents that regularly attend the P&C meetings. Parents continue do this to benefit our school and their children. At last week’s meeting I was asked to inform parents in the newsletter that of the 270 parents in our school we only have only 12 families on a regular basis that shoulder a huge work load and are required make decisions on behalf of all school families. They would love to see many more faces come along to meetings to ensure our P&C is truly representative of our whole school parent body.

All positions will be declared vacant and we hope to fill all positions on the night. Our existing president and treasurer after some time in the positions and doing an excellent job have advised that they will be stepping down from their positions.

Personally I believe I am the luckiest principal around because of the quality of the parents that regularly attend our P&C. I can assure you that you will be joining part of a fun, friendly, intelligent and well respected group.

Next P&C Meeting Wednesday 8 March 6:30pm
Agenda – Year 6 Canberra Camp 2018. A motion will be moved by the P&C at this meeting in relation to whether we continue with our Yr 6 students going to Canberra. The value of the camp is between $1000 and $1100. The cost of the camp after P&C, Govt, Maleny Trail Riders Club and Apex subsidies is generally around $850. Activities on the Camp include return flights to Sydney, sight seeing at the Opera House & Rocks, a tour of the Australian War memorial, Parliament House, Institute of Sport, National Museum of Australia, National Capital Exhibition Centre and Old Parliament. Also included is a day skiing at Perisher Smiggins with skiing lessons and equipment hire.

Leaders Induction Ceremony
Congratulations to all of our year six students who received leadership badges last week. I look forward to an exciting year ahead with the assistance of our year 6 leaders. All year six students received a seniors badge as we see and expect all of our senior students to act as role models for our younger students. A big thank you to our local State MP Andrew Powell, Maleny State High School Principal Deb Stewart who assisted along with P&C Vice President Adrian McCallum to present students with their badges.
It was also great to have the Maleny State High School Captains at our presentation and hear their inspiring words on Leadership.
Parent Teacher Interviews (Yrs 1-6)
This week we encourage all parents to take up the opportunity to meet with their child’s teacher and inform the teacher about your child and how they learn best (e.g. what they are good at, interests, motivators, special needs or considerations, medical issues, social abilities, academic challenges, behaviour). Teachers will be able to briefly communicate how your child is settling in and inform you if there are any early concerns noted. A second interview will be held late in Term 2 where teachers will do the majority of talking giving parents more detailed and explicit information around how your child is progressing academically, behaviourally and socially at school. You will also receive your child’s Semester One report around this time.

Please Note: parents are welcome to meet with their child’s teacher at any stage throughout the year, please ensure you make an appointment beforehand with the teacher to enable this to be a productive meeting.

Email- Ensure you have your teachers email address to further facilitate parent / teacher communication and they have yours.

Swimming Carnival Success
It was great to see so many students participating in last Friday’s swimming carnival and the largest parent contingent in attendance that I have seen. Student behaviour for the day was excellent. I congratulate our PE Teacher Mr Shane Turner on his organisational skills along with all staff that assisted before, during and after. If your child is interested in furthering their swimming skills or looking for a fun club to be in look no further than the Maleny Swimming Club. Also, a big Thank-you to all parents who volunteered as officials on the day. Congratulations to those talented swimmers who have made it to the District Trials this Friday.

School Volunteers and RI Volunteers
Last Wednesday we held a number of meetings for those wishing to volunteer within the school. Eric Flamank ran an induction program for all adults wishing to volunteer within the school. Some of the things Mr Flamank discussed were the role of volunteers, the Code of Conduct, asbestos awareness and Student Protection. A big thank you to all parents and community members in attendance. If you missed it you are still welcome to assist and volunteer in classes, please see your child’s teacher or Mr Flamank. All volunteers are required to undertake professional learning and awareness of school processes and if you missed the face to face session’s hardcopies of this information is available for you to access. Paula Heiniger our Acting Deputy Principal then conducted an induction program for our religious instruction teachers.

SWPBL (School Wide Positive Behaviour Learning)
Our school is a Positive Behaviour Learning School. This means we teach our children what our rules and routines expectations are and reward them for meeting or exceeding these expectations. The more we can catch children doing the right thing and praise them for it the more likely we will see that behaviour repeated. Now that’s a win / win for all. Try it at home. Ensure you praise behaviours you wish to see (explicitly name them, e.g. I love the way you are talking to your sister) many more times than using corrective statements (that need to be used). Try keeping count of these for a day to see how you are going. It is quite a challenge. But it works.

This Weeks Rule
This Fortnights Rule is Be Responsible and our Buzz Phrase is, “Make Good Choices”. This means when students may find themselves frustrated, unsupervised (i.e. on way to school, in toilets etc.) or in class they try to choose an appropriate behaviour in this situation. I often tell students to imagine mum and dad are sitting on one shoulder, their teacher is on their other shoulder and I am sitting on their head watching. If they are not sure whether they should do something or not, simply DON’T Do IT. I encourage parents who randomly see students making good choices to let us know so we can acknowledge their positivity.

Drop Off / Pick up Zone
To ease traffic congestion I ask that parents using the 2 parking bay zone outside the Prep building (just before the crossing) DO NOT LEAVE their car. This will allow a quick turnaround in this area and benefit all. Parents leaving their car do cause frustration for other parents wishing to use this area.

It is important if your children are being picked up from this area they are:
1. There on time otherwise you will need to do a lap of the block and return.
2. Sit or stand next to the fence and not on the walkway.
3. Are alert and watching for parent’s car.
Tuckshop – Join a special group of Maleny Volunteers
Please consider joining possibly the happiest group in the school at the tuckshop. We desperately need new people to come forward. Even if you can only spend the first hour after drop off we have the ideal job for you. Please see Kate or Gunnar at the tuckshop or give the office a call if you can assist. Your children will love you for it.

From the Deputy Principal

2017 ICAS Tests
Each year ‘The University of New South Wales’ offers your child an opportunity to participate in the International Competitions and Assessments for Schools (ICAS). We as a school enable your child/ren to sit these tests. ICAS assessments have taken place annually in schools for over thirty years and in 20 countries. Educational Assessment Australia (EAA), who design and deliver the assessments, is the not-for-profit arm of the University of New South Wales.

A registration letter went home last week, with more detailed information. To enrol your child in ICAS, simply complete and return it, with your entry fees, to school by 3rd March, 2017.

For more information about ICAS go to www.eaa.unsw.edu.au, contact Customer Service on (02) 8344 1010 or send an email to info@eaa.unsw.edu.au

Your child can also prepare for ICAS using Practice Online. Practice Online tests are available for English, Mathematics and Science. Find out more about Practice Online at www.eaa.unsw.edu.au/practice-online.

The types of tests your child can take part in, dates and entry fees are listed in the table below.

Writing
Our next Writing focus for the next 2 weeks is:

SIZZLING STARTS
So ask your children to share some of their Sizzling Starts with you!

Welcome to Christian Religious Instruction - 2017

At Maleny, Christian Religious Instruction has been facilitated for many years, and once again, a dedicated team of trained volunteers will present the approved curriculum lessons, which enable the children to engage with the Bible through stories, music, drama, reading, puzzles, drawing and discussions.

Classes are offered to students from Year 1 to 6 to help them understand the Christian Faith, and provides a framework for them to explore the teachings of Jesus, and aims to encourage them to develop their perceptions of love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self control, acceptance and respect - values that can be shared with all. Each child is valued whatever their belief.

To allow your child’s participation, please sign the consent form and return to the school office.

If you have any further questions, please contact the Christian RI Coordinator Carol Thornton on 0439 944496.

Thank You
A great start to Prep …
The children have been doing a great job of learning all the rules and routines of prep. They have been making new friends and trying their best to make good choices.

Caps for Sale!
At the end of the first week of school Mr Byrne invited all the Preppies to his favourite magic tree to listen to a special story “Caps for Sale”. Mr Byrne turned into a peddler with a pile of caps on his head. Some of the children became cheeky monkeys who stole the caps when the peddler fell asleep under the tree. The audience squealed with delight when the peddler woke up to find his hats gone. Mr Byrne is a magnificent story teller. We all think he will have to come back again to tell us another story.

Mrs Bauer (Prep A) and Mrs Hicks (Prep B)

Hi from Yr 1A and Yr 1B
A very big welcome to our new students’ and their families, it is fantastic to see all our students eager to learn. Their enthusiasm for learning is amazing, our students are eager to attend each morning. We encourage all students to attend on time every day. Please ensure that your child has a school hat every day, as it is not only part of proud and proper, but our sun safe school rule, is no hat no play.
Our proud and proper program has already begun and our schools expectation is that our students wear their correct uniform respectfully. Please remember this year we are now black shoes and white socks as an addition to our proud and proper program.
We have been very conscientious in revising our core values and expectations at school. We have begun our journey in reading. Our first focus is looking at and activating student’s prior knowledge, and learning about feelings displayed by characters within books. Your children have enjoyed counting and number recognition, we will be looking at teen numbers. In science we are learning about the habitats on living things.
If there are any concerns please make an appointment and we will endeavour to see you as soon as possible. The best way to contact us is via email. Addresses were communicated within our classroom newsletter.
Yours in Learning
Rosie Gatehouse and Hayley Krause

Yr 2 News
This term the Yr 2’s are all off to a flying start, they are settling well into their new classes. They are enjoying our English poetry unit, and learning about rhyme, alliteration and repetition. Everyone loves swimming especially in this warmer weather we’re having. Please remember to bring back your notes and money for swimming if you haven’t done so already. We would love you all to start bringing in some recycled materials so that we have them ready to go when the children need to design and make a lunchbox to hold a sandwich and an orange for science and technology. Please remember that homework folders need to be at school on a Monday so that they can get the new homework and must be back at school on a Friday so it can be marked.

*Reminder* Parent/Teacher Interviews take place this week.
3A and 3B News

It is great to see the children again after the holidays, and to welcome all the new students to our classes and school. Almost all the children have brought in their equipment for learning and we have it all sorted out. It is essential that children have everything on the booklist please. We were very happy to see the parents/carers at the Meet’n Greet. We are underway with our Reading groups and focussing on Writing. The focus for this unit is writing persuasive paragraphs using high and low modality words, such as I may do it, or I must do it. This week we have had the first Assembly for the year and the first swimming lesson. The children have settled into the class routines very quickly and their behaviour has been very pleasing. The children have been involved in the process of formulating our class rules. We are looking forward to a fabulous term 1 ahead.

Kind Regards,
Anne, Lou and Trish

PURPOSE
The other night I happened to see a show on television about the weird and wonderful things on our planet. I was watching a fascinating story about an Entomologist who was searching in the Amazon for something new, when he happened across this tiny ‘thread’ dangling from the end of a leaf. On closer inspection he discovered a cocoon, but unlike any cocoon he’d ever seen. On the end of the long thread dangled something that looked more like a basket and inside was a creature of some sort. The cocoon looked similar to a woven straw basket, in that it wasn’t a solid shape, but had holes through it. After some testing, he discovered that the insect had made the cocoon this way for a very specific purpose. Because ants are so prolific and destroy everything, the insect had made a thread that was so fine, that not even an ant could climb down and eat it. And because of the massive amount of rain that falls in the Amazon, the open sides allowed water to pass through without weighing down the cocoon and then the wind dried it out. I was so struck by the wonder of our world and how even the microscopic world has order, and purpose. So today I want to encourage to look around you and discover what your purpose is and thrive in whatever that may be. Have a blessed week.

BREAKFAST CLUB will be on Wednesday morning the 15 March from 8:00am at the tuckshop.

RAFFLE TICKETS will be on sale. The prize is 5 nights accommodation at Mariners Resort, Kings Beach. The winner will be announced at the “Maleny’s Milkin’ It For Charity” on the 4 March. Please see Becky for tickets.

1-2-3 MAGIC Parenting Course
Understanding our own and our children’s Behaviour.

We would like to invite parents to attend an upcoming series of 3 workshops designed to help parents with behaviour management strategies. Deb Price, a Behaviour Support Consultant with Education Queensland, will be sharing the 1-2-3 MAGIC Programme with parents. The workshops will include information on:

- Controlling difficult behaviour eg. arguing, fighting, tantrums
- Encouraging good behaviour eg. going to bed, doing homework, eating
- Strengthening your relationship with your child through the use of praise, active listening and shared fun.

The workshops will be held at Maleny State School in the meeting room next to the school library starting Friday the 10th of March and continuing over the following two Fridays, the 17th and 24th of March, 2017. Each session will run 9:00am-12pm.

Participants will receive a workbook linked to the programme at no cost.

Please note that the sessions are for all parents, regardless of whether your child attends Maleny State School or not. Arrangements will be made for the care of any non-school age child(ren).

Should you wish to attend please contact Maleny State School by emailing or phoning the school office on 07) 54998333 or admin@malenyss.eq.edu.au so we can update our records. These details include parent/carers’ name, address, phone numbers, email address and emergency contact details. Please remember to contact the school if any of these details change.

Contact Details – Do we have your most up to date contact details?

There are times when we may need to contact parents and carers. Do we have your most up to date contact details? If not, please contact the school 5499 8333 or admin@malenyss.eq.edu.au so we can update our records. These details include parent/carers’ name, address, phone numbers, email address and emergency contact details. Please remember to contact the school if any of these details change.
From the Office

Payments
Please deposit all payments directly into our bank account noting the invoice number, initial and surname of the student for whom you are paying.

Our Bank account details are:
BSB: 064-462  Account Number: 10080359
Cash, cheque and credit card payments can be made by inserting the cheque/correct change in a payment envelope or writing the credit card details on the front of the envelope and depositing it into the drop-safe in the office. Please ensure that the envelope is sealed so the cash does not fall out. Please write the student’s name, class, amount enclosed and what the payment is for, clearly on the envelope.
Office hours are 8:00am to 4:00pm on Monday - Friday.

Stuckonyou - Fundraising

How many HATS and JUMPERS have you lost this year!!  With the end of year fast approaching and the HUGE amount of lost property – the P&C have joined Stuck on You® fundraiser in the hope of not only raising money for our school – but reducing the amount of lost property and headaches for us all!
When you log onto https://www.stuckonyou.com.au/ and order from the huge display of LABELS AND PERSONALISED PRODUCTS – enter our fundraiser code: MALENYSTATESCHOOL – we earn a huge 20% from the sales made which we can recoup in cash every 12 months.
Or call 1800 645 849 – great end of year special on now!
We have many parents who already use these labels and have been very happy with the durability, reliability and price of the products.  Great colours, styles and variety for you and your family.

Also look out for stuckonyou signs around the school and there will be limited stock of blank stick-on and iron-on labels available at the Uniform shop soon.

Don’t forget to tell family and friends
Raise money for the school - while you save your lost things!

It’s Easy – Just Add – fundraiser code: MALENYSTATESCHOOL

P&C Uniform News

The Uniform Shop’s regular hours are Friday mornings between 8.30am and 9.30am. Payment options are EFTPOS, cash or cheque at the uniform shop only. Alternatively, orders can be placed online at www.flexischools.com.au by 5pm Wednesday for Friday pickup or class delivery.

Tuckshop News

Can you help? We require help from parents for about an hour after drop off in the morning to help with a specific task. Also, volunteers needed in general for Tuesdays and Thursdays.

It is very important we have enough volunteers to ensure the viable running of the Tuckshop for our school. Your support is greatly appreciated. To find out more, drop by or call Kate or Gunnar at the Tuckshop on 5499 8318 or email Kate - hoofpick@bigpond.net.au

The Tuckshop is open three days a week - Tuesday, Thursday and Friday.
Flexi Schools is our preferred ordering system and is simple and easy to use.

To register go to www.flexischools.com.au
It's about that time... our 2017 season is nearly here! Do you have any friends or family members who are looking to join a successful, fun, and family-orientated footy club? Be sure to suggest Beerwah Bulldogs RLFC as their perfect home!
