

## MAKE YOUR CENTS MATTER

Maleny IGA is committed to supporting our community. We do this by stocking & promoting local producers and through our Community Benefits Club (CBC). One cent in every dollar spent on your groceries goes directly to your community group of choice.

We support over 210 Community Groups and have distributed over \$1.5 million. We now have a goal to help more people thrive and are dedicated to reaching \$2 million in donations by 2022.

## What is the Secret to Success? ... Strength in Numbers

ANSWER: Simply the number of IGA shoppers who allocate their points to them — sheer numbers! The most successful groups ensure that their members nominate their group. Thank you to our customers who support us so we can support your community groups!

FORM ON THE BACK OF THIS PAGE AND
