

Maleny State School SWPBS Fortnightly Focus Teaching Sequence

The Teaching Sequence below is an outline of the specific lesson focus that teachers must teach each week. It is an expectation that teachers will focus on using lesson plans attached and resources provided along with their own ideas to ensure all students gain success with each teaching point. Throughout the year fortnightly focuses will change depending on data collected (One School, Playground Folders, SWPBS team, Student Leaders, anecdotes in relation to student behaviour from staff, parents and students. Teachers have their opportunity to indicate 'Hotspots' at staff meetings or record directly under the SWPBS Data tab 'Hot Spots'.
